

# Go to Arctic.

Arctic Securities knows that high aspirations and strong motivation are keys to success. In Arctic we nourish our young talent and lay the foundation for Arctic Securities continued success. We want our company to be the place you want to work. We want you to love your job. Because when you love your job, you'll do great things.

## Arctic Securities Internship, Oslo 2022

We are searching for talented and driven individuals who align with our core values and have an ambition to perform in a vibrant and intellectually rewarding environment. Applicants should have an interest in capital markets and finance related topics, but no prior experience is required.

Arctic Securities is seeking to fill internship positions in our Corporate Finance and Equity & Credit Research departments. We offer internships during all periods of the year, lasting for a minimum of 8 weeks.

We offer participation in projects and assignments assisting leading Nordic and international companies and investors. A collaborative working environment based on teamwork with varied and challenging work tasks. Guidance by highly experienced colleagues and an international environment offering exciting internal career opportunities.

Applications can be submitted through our online platform until 31 August 2021, and should include a CV (include relevant recommendations), and grade transcripts from higher education and high school.

Applications will be processed on an ongoing basis and we encourage candidates to apply as soon as possible.

We are primarily seeking candidates with a background from academic studies - i.e. business/economics, engineering or mathematics. Fluency in a Nordic language is a prerequisite.
